[www.homedepotcareers.ca](http://www.homedepotcareers.ca)

### **About Home Depot**

Build a career with the youngest company ever to reach \$60 billion as we seek to double our business over the next five years! The Home Depot®, founded in 1978 in Atlanta, Georgia, is the world's #1 home improvement retailer, operating over 1,700 stores across North America. This Fortune 13 company caters to both do-it-yourselfers and professional customers who serve the home improvement, construction and building maintenance market segments.

### **Are you Home Depot Material?**

The Home Depot is one of Canada's Favourite retailers. Often the people that like to shop here are people who like to work here too. Our customers expect a lot from our associates, so we have to expect a lot from them. When you work in our stores you will discover that we believe that teamwork is key.

### **Benefits:**

Home Depot offers associates the opportunity to choose plans and programs that meet their needs. Benefit plans are available to full-time hourly and salaried associates and part-time associates.

### Full-time associates receive:
